IS NOT INGURABLE GENERAL INSURANCE Time was when Cancer was considered as incurable as leprosy

Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out, but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in its place, for the disease is in the blood - is deep-seated and destructive, and beyond the reach of the surgeon's knife or caustic, flesh-destroying plasters. The blood must be purified and strengthened, the system relieved of all poisonous, effete matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It builds up and invigorates the old, and supplies new, rich, life-giving blood. S. S. S. is a purely vegetable remedy; no mineral can be found in it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you? Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe

at once; it will cleanse your blood and prevent the formation of cancerous cells. Mis. R. Shirer, La Plata. Mo, writes: "A small pimple came on my jaw about one inch below the ear on the left side of my face. At first it gave me no trouble, and I did not think it was anything serious until the jaw began to swell and became much inflamed. At the same time the sore began to spread and an interther feet, and gave me imense pain. I tried everything I could hear of, but nothing did me any good. I then began the use of S.S. S. and after taking several bottles the Cancer healed, and there is now no right of the disease. This was two years ago, and I am still enjoying perfect health."

GREENVILLE, Ala., Aug. 10, 1809. I take great pleasure in certifying to the purity and the merit of Wilkinson's Match-less Mineral Water. This natural mineral tonic, to my personal knowledge, is taken from a well three miles east of Greenville, in the exact condition in which it is sold. I have seen this water used, with wonderful success, for dyspepsia, indigestion, sore ulcers on man and animals. As a remedy for these troubles, I do not believe its equal exists. It is highly recommended by

physicians for a number of diseases.
